RE: Notice of Appropriation Transfer

Please consider this notification of a proposed transfer of fiscal year 2005 funds under the Code of Iowa, 2005, Section 8.39, as follows:

Amount: Up to, but not to exceed \$230,000

Transfer to: Department of Transportation,
Workers' Compensation \$230,000

Transfer from: Department of Transportation,
Indirect Cost Recovery \$230,000

Reason: This transfer is necessary to cover an increase in the Fiscal Year 2005 workers' compensation premium. The Department was unable to request additional funding to cover the projected increase because their FY 05 appropriations bill was passed prior to the notification.

Action on this transfer will not be finalized prior to June 17, 2005.
